February 25, 2015

An act to amend Section 52295.10 of the Education Code, relating to education technology.

LEGISLATIVE COUNSEL’S DIGEST

AB 699, as introduced, Olsen. Education technology: grants.

Existing law establishes the Education Technology Grant Act of 2002 to provide technology education grants to school district applicants for schools serving pupils in grades 4 to 8, inclusive, consistently with federal law. Existing law defines “school district” for purposes of the act.

This bill would make a nonsubstantive change to that definition.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 52295.10 of the Education Code is
2 amended to read:
3 52295.10. (a) This chapter shall be known, and may be cited,
